

La-Beeba Jones

Front-end and Back-end web developer with proficiency in PHP, HTML5, CSS3, JavaScript, VB, C#, and responsive design principles. Passionate about web and application development. I am no stranger to learning new skills and I take a proactive approach to learning and growth. Successful working in teams and individually. Strong problem-solving skills. Excellent communication and collaboration skills. Self-motivated, detail-oriented, and able to manage multiple priorities. Has worked as team lead with developers and business stakeholders from project start to completion.

EXPERIENCE

The Transformation Group

PHP Developer; LifeStance; Remote Contract; April 2023 – Present

- Utilizing Tailwind CSS framework, HTML5, PHP, and JavaScript/jQuery to create WordPress templates, landing pages and to customize themes.
- Use Figma file design/wireframes to create pages and templates in WordPress.
- Coordinate with team to determine project scope to deliver projects within timeframe.
- Creating code that is easy to read and understand; and testing to confirm it is error free.
- Coding with Blade syntax, the templating engine included with Laravel.
- Develop mobile-friendly / mobile-first WordPress templates and pages to align with site design and branding.
- Use Git / GitHub for code versioning, using CLI and Visual Studio Code.
- Using the command line for installing packages with NPM, Yarn and Composer

The Transformation Group

Business Analyst/Project Manager; JDRF; Remote Contract; May 2022 – February 2023

- Worked as liaison between internal and external developers and business stakeholders to establish project scope, system goals, and requirements.
- Managed the launch of fundraising programs and web fundraising technology implementation for chapter sites with revenues over \$1,000,000 – wrote requirements for developers and coordinated with business leaders for feedback.

JDRF International; NY, NY

Senior Systems Analyst; September 2017 - August 2020

Systems Analyst; September 2014 - September 2017
